

# SOUTH CAROLINA BANKERS ASSOCIATION POLITICAL ACTION COMMITTEE Authorization Form

SCBA BankPAC is the South Carolina Bankers Association's Political Action Committee. SCBA BankPAC supports candidates for political office who share and support the views of South Carolina bankers. SCBA State PAC supports candidates for state office and SCBA Federal PAC supports candidates for federal office. A candidate's commitment to promoting the interests of SCBA members and a positive relationship with the banking industry are primary considerations when deciding which candidates will receive SCBA PAC contributions.

### SCBA State PAC Contributions: No Authorization Required

Contributions to SCBA State PAC have no authorization requirement.

### SCBA Federal PAC Contributions: Prior Authorization Required

The SCBA Federal PAC must obtain written authorization from each corporate member in order to solicit the member's executive and administrative employees (individuals employed by the corporation who are paid on a salary, rather than hourly, basis and who have policy-making, managerial, professional, or supervisory responsibilities) for SCBA Federal PAC contributions.

Authorization may be granted by any person with the corporate authority to do so. Your corporation can provide authorization to solicit your officers and employees for federal PAC contributions to only one trade association in the same calendar year. As indicated below, your corporation can give the SCBA Federal PAC the authority to solicit for multiple years in advance.

Please complete the form, signing for each year for which you are providing authorization, and promptly email the completed form to Rick Green at rickgreen@scbankers.org.
